

Dear Sponsor,

Shrimpfest has been an exciting tradition in Seadrift since 1980, and as it continues to grow, the Seadrift Chamber of Commerce grows in our ability to contribute to our community and promote local commerce. In 2023, we were able to complete several projects, including the completion of fabricated basketball goals at our sports complex and the installation of signage entering and exiting town. We were also able to have award (5) scholarships amounting to \$5,000.00 to assist local graduating seniors from the Class of 2023! This continues to be something we can build on with the support of our events and sponsors! Some other fun things we were able to provide were back-to-school sno-cones for EVERY child at Seadrift School, the yearly trunk or treat and costume contest that boasted 200 Chamber bags with candy, and a fun Christmas event that supplied cookies and hot cocoa, pictures with Santa, community choir, and a tree lighting of our recently revamped holiday décor! These things were all provided to our community at no charge! Market Days has really grown this year for both vendors and patrons and continues each month as a resource for our local talent to showcase their products at no charge.

To keep up with advancing technology, we are currently working on a complete website rebuild to better showcase our town, businesses, and Chamber members. Stay tuned for the reveal!

Shrimpfest is continuing to grow in size and success, and we are working tirelessly to improve our 2024 festival! This relies heavily on the support of our sponsors to reach the goals necessary to financially support this event. We are bringing in some big names this year, including Bobby Pulido and our local talent Broken Alibi!

We thank you for any past donations and ask for your consideration of new or continued support. We are pleased to offer multiple options for your donation and support. Please read through as we've added some new things this year!
